

# DR ADELLE THOMAS

Senior Fellow, University of The Bahamas  
Senior Scientist, Climate Analytics

## PROFILE

Human-environment geographer with strong research, leadership, communication, and project management skills. Over sixteen years of experience in working with international organizations, governments, the private sector and civil society to develop and implement evidence-based and equitable strategies for climate change adaptation and loss and damage.

## HIGHLIGHTS

- IPCC Experience:
  - Sixth Assessment Cycle:
    - Special Report on 1.5°C: Lead Author, Chapter 3
    - WGII Assessment Report: Lead Author, Chapter 16, Cross Chapter Paper 2, SPM
    - Synthesis Report: Extended Writing Team, Longer Report, SPM
  - Fifth Assessment Cycle:
    - WGII Assessment Report: Chapter Scientist, Contributing Author, Chapter 16
- Broad UNFCCC experience, including serving on Constituted Bodies
- Research and practitioner experience in climate change adaptation and loss and damage, including risk and vulnerability assessments and adaptation planning and policy development
- Successful in developing programs, projects, strategies and proposals and receiving funding from international foundations and funds
- Experienced team leader for international adaptation and loss and damage research and implementation projects
- Experienced speaker and author, particularly in science/policy interface and communicating science to broad audiences

## EDUCATION

- 2012 Ph.D., Geography, Rutgers, The State University of New Jersey
- 2010 M.S., Geography, Rutgers, The State University of New Jersey
- 2005 B. S., Civil Engineering, University of Minnesota
- 2005 B.A., Individually Designed: Engineering Science, Macalester College

## PROFESSIONAL EXPERIENCE

2021-present **Senior Fellow**, Climate Change Adaptation and Resilience Research Centre, University of The Bahamas

- **Principle Investigator**, I Survived Dorian, A Community Science Project, *Open Society Foundation*

2017-Present **Senior Scientist**, Climate Analytics

- **Resilience Expert**, Covid19 Recovery: Building Back Better, *United Kingdom Department for Business, Energy and Industrial Strategy* [2021-2022]
- **Adaptation Expert**, GCF Readiness -Strengthening Institutional and Implementation Capacity for Delivery of Climate Change Investment Projects: Grenada, *Caribbean Community Climate Change Centre* [2021-2022]
- **Adaptation and Gender Expert**, Development of a Gender Responsive Budgeted Project Proposal from the Agriculture, Water and Fisheries Sectoral Adaptation Strategy and Actions Plans for Saint Lucia, *United Nations Development Programme* [2021-2022]
- **Adaptation, Risk and Loss and Damage Expert**, Updated Nationally Determined Contributions (Saint Kitts and Nevis, Nepal, Saint Lucia, Grenada, Antigua and Barbuda), *German Federal Ministry of Environment, Nature Conservation and Nuclear Safety* [2020-2022]
- **Adaptation and Gender Expert**, Capacity Development and Empowerment of the Ministry of Planning and Development to engage with the Green Climate Fund (GCF) Trinidad and Tobago, *Caribbean Community Climate Change Centre* [2020-2022]
- **Vulnerability, Adaptation and Gender Expert and Team Lead**, Climate Risk Adaptation and Insurance in the Caribbean, *Munich Climate Insurance Initiative* [2018-2022]
- **Caribbean Regional Scientist**, IMPACT Project, *German Federal Ministry of Environment, Nature Conservation and Nuclear Safety* [2017-2022]
- **Adaptation and Human Mobility Expert and Team Lead**, Sustainable Management of Human Mobility in the Context of Climate Change for the Organization of Eastern Caribbean States, *Deutsche Gesellschaft für Internationale Zusammenarbeit GIZ* [2019-2020]
- **Adaptation Expert**, Capacity Building of Jamaica's National Designated Authority & Preparation of a Country Programme for Engaging with the GCF, *Caribbean Community Climate Change Centre* [2018-2019]
- **Adaptation Expert**, Capacity Building of Saint Lucia's National Designated Authority & Preparation of Country Strategic Framework project, *Caribbean Community Climate Change Centre* [2018-2019]
- **Adaptation Expert**, Development of National Adaptation Plan Climate Financing Strategy and a Private Sector Engagement Strategy for Saint Lucia, *Caribbean Community Climate Change Centre* [2018-2019]
- **Adaptation Expert**, Scientific and Technical Analysis of Green Climate Fund Private Sector Concept Notes, *Green Climate Fund* [2017]

2019-2021 **Founding Director**, Climate Change Adaptation and Resilience Research Centre, University of The Bahamas

- **Principle Investigator**, Supporting Internally Displaced People Through Effective Data Collection and Use, *British High Commission of The Bahamas*
- **Principle Investigator**, Hurricane Dorian Evacuee Resilience and Small Business Development Modeling, *One Eleuthera Foundation*
- **Principle Investigator**, I Survived Dorian, A Community Science Project, *Open Society Foundation*
- **Principle Investigator**, Boosting Resilient and Inclusive Growth in The Bahamas, *InterAmerican Development Bank*

2017-2020 **Visiting Researcher**, University of The Bahamas

- **National Policy and Strategy Development Expert**. Access and Benefit Sharing: Implementation of the Nagoya Protocol for The Bahamas, *Government of The Bahamas*

- 2012-2017     **Assistant Professor**, Geography, University of The Bahamas, School of Chemistry, Environmental and Life Sciences
- **Courses taught:** Small Island Sustainability: Climate Change and Public Perceptions; Human and Cultural Geography; Physical Geography I: Climatology and Biogeography; Physical Geography II: Landscapes and Soils; Geography of North America; Geography of The Bahamas; Geographic Research Methods
- 2012-2014     **Chapter Scientist**, Intergovernmental Panel on Climate Change (IPCC), Working Group II: Impacts, Adaptation & Vulnerability
- Chapter 16: Adaptation opportunities, constraints, and limits.
- 2010-2011     **Teaching Associate**, Rutgers, The State University of New Jersey, Department of Geography
- Courses taught: Human Geography: Space, Place and Location
- 2008-2010     **Research Associate**, Rutgers Initiative on Climate and Environmental Change.
- Economic Vulnerability to Climate Change: A Case Study of the Insurance Industry
- 2009-2010     **Research Associate** CARIBSAVE NGO.
- Caribbean Climate Change, Tourism & Livelihoods: A Sectoral Approach to Vulnerability and Resilience
- 2008-2010     **Research Associate**, City University of New York.
- Responding to Climate Change in New York State: The ClimAID, Integrated Assessment for Effective Climate Change Adaptation in New York State.
- 2007            **Research Assistant**, University of Oslo, Norway/UNEP.
- Disaster Risk Reduction, Climate Change Adaptation and Human Security. A Commissioned Report for the Norwegian Ministry of Foreign Affairs.
- 2005-2007     **Project Manager: Construction and Special Projects**, Target Corporation
- Managed implementation of nationwide construction and special projects with budgets up to USD1.5 million

## ADMINISTRATIVE POSITIONS

- 2022-present   **Member: Scientific Committee**, Adaptation Futures Conference 2023
- 2021-present   **Associate Editor**, Weather and Climate Extremes Journal
- 2021-present   **Member: Regional Advisory Committee**, Caribbean Natural Resources Institute Critical Ecosystem Partnership Fund
- 2019-present   **Member: Technical Expert Group on Comprehensive Risk Management**, UNFCCC Warsaw International Mechanism (WIM) Executive Committee (ExCom)
- 2019-present   **Member: National Sustainable Development Goals Technical Committee**, Office of The Prime Minister, The Bahamas

2021	<b>Scientific Advisor</b> , The Bahamas' National Delegation to the United Nations Framework Convention on Climate Change Conference of Parties 26
2020-2022	<b>Member: Executive Board</b> , Bahamas Strong Alliance, The Bahamas
2019-2022	<b>Member: Advisory Board</b> , European Research Council-funded project the 'Politics and Governance of Climate Change-related Loss and Damage'
2016-2020	<b>Member: Technology Executive Committee</b> , UNFCCC Technology Mechanism
2018-2019	<b>Member: Steering Committee</b> , Caribbean Coastal Capital Center of Excellence, Inter-American Development Bank
2014-2019	<b>Director and Co-Founder</b> , Climate Change Initiative, The Bahamas
2019	<b>Scientific Advisor</b> , The Bahamas' National Delegation to the United Nations Framework Convention on Climate Change Conference of Parties 25
2018	<b>Scientific Advisor</b> , The Bahamas' National Delegation to the United Nations Framework Convention on Climate Change Conference of Parties 24
2016-2017	<b>Member: National Steering Committee</b> for the United Nations World Tourism Organization Year of Sustainable Tourism Development, Ministry of Tourism, The Bahamas
2015	<b>Scientific Advisor</b> , The Bahamas' National Delegation to the United Nations Framework Convention on Climate Change Conference of Parties 21
2014-2016	<b>Member: Technical Advisory Committee</b> , National Integrated Coastal Zone Management, Bahamas Environment, Science and Technology Commission, The Bahamas
2013-2016	<b>Chairperson</b> , National Climate Change Public Education and Outreach Committee, Bahamas Environment, Science and Technology Commission, The Bahamas
