INTERGOVERNMENTAL PANEL ON climate change

# CLIMATE CHANGE IN THE PACIFIC ISLANDS AND THE IPCC

## Outreach event on the activities and findings of the Intergovernmental Panel on Climate Change (IPCC)

The outreach event will examine Climate Change in the Pacific Islands grappling with impacts of sea level rise and disaster risk to explore solutions in the context of migration, governance, diplomacy and law. The outreach event will discuss the IPCC Special Report on Global Warming of 1.5 °C , the Special Report on the Ocean and Cryosphere in a Changing Climate and the Sixth Assessment Report. The event provides a platform for supporting Pacific voices in the IPCC processes to ensure local and regional engagement. An information session is available for researchers and potential authors.
