

## COP24, Katowice (Pavilion H3)

### IPCC Special Report on 1.5°C regional perspectives - Asia

**Wednesday, 5 December (16:30 - 18:00)**

Contact: Sarah Connors ([sarah.connors@universite-paris-saclay.fr](mailto:sarah.connors@universite-paris-saclay.fr))

This session will discuss the main findings from the Special Report on 1.5°C Global Warming with relation to Asia, featuring presentations from IPCC authors and Bureau members, and responses from external stakeholders. A panel discussion with questions from the audience will conclude the session.
